Resin ribbon for flat head printers

L151

L 151 as a premium resin ribbon, provides very good printing quality at print speed 6 IPS. It gives superior solvent resistance, stain and corrosion resistance and high-temperature resistance on synthetics and film labels.

Technical Specifications

Ink:resin
Color: black
Film Thickness: 4,5µm±0,1µm
Total Thickness: 7,6µm
Ink Melting Point: 98°C±3 °C
Printing Speed:6 IPS /152mm/s
Storage conditions: 5 ºC-35 ºC, 35-80 RH (Avoid the direct sunlight and humid environment.)

Applications

Product ID
Pharmaceuticals
Hot working
Wooden products
Automobile industry, Mechanical equipment, Elecrtical equipment
Digital&electronic labels
Steel&iron manufacturing

Recommended Media

Synthetic papers
Film (PE, BOPP)

Certifications: RoHS, REACH, HALOGEN, UL
